

For Immediate Release:

17 November 2003:

On behalf of the Safe Communities Foundation, we would like to welcome the two newest Safe Communities to the Network.

Brandon, Manitoba (Safe Communities Coalition of Brandon & Area)

And

Ottawa, Ontario (Ottawa Safe Communities Network)

Watch on the SCF website for more information on the newest additions and the rest of the growing Safe Community Network. Check out the new map that shows where all the Safe Communities are located throughout Canada.

There is now a total of 38 Safe Communities that encompass approximately 20% of the total Canadian population.

Please help us in congratulating the two new communities on all their hard work of becoming designated and welcoming them to the network.

Regards,
Dawn Vallet RN, MSc
